LEARN WITH POPCORN

You've likely heard many times that *"it's not about selling popcorn, it's supporting Scouting."* But what does this mean? And how does it impact each individual Scout?

Scouting is here to help children become ethical adults that make good decisions. And popcorn serves an important role in this mentorship. It's a learning activity, just like any other, designed to build important skills towards this goal. Specifically:

Association with Adults

Kids are sometimes shy or fearful around adults, even ones they know. For most, this doesn't resolve itself as they age. They gain the opportunity for exposure and practice communicating with adults by participating in the popcorn sale. They build the confidence that will make future things like college essays, job interviews, and talking to their boss so much easier. It sounds like a simple interaction, but it's a way for them to overcome a tough barrier and learn how to navigate an adult-run world.

Salesmanship and Entrepreneurship

Learning to set and reach goals through action helps Scouts develop important business skills. They learn how to best represent themselves and persuade others. In the future, they can use these tools to gain funding for a revolutionary business idea or be a strong team leader within their organization.

Grow and Sustain Scouting

Scouting is not just an activity, but also a future career path. The mission of the organization needs strong leaders to carry the mentorship and impact forward into future generations. Everything they learn by participating prepares them to teach others what they know in Scouting or whatever future career they choose. Popcorn also brings Scouting to the attention of many others who may not be familiar with all that Scouting has to offer.

Fund Membership and Activities

And of course, popcorn funds all the amazing activities in their Scouting program.

LEADING YOUR UNIT

The Popcorn Kernel oversees operations of the Unit's popcorn sale. This is an important leadership role within the Unit. The PK ensures distribution, reporting, and payments for Unit's entire sale period. They also work closely with their Unit committees and District Popcorn Kernel.

The best part is leading their #PopcornSquad in the Unit's goals for the sale. This includes:

- ◆ Encouraging Scouts to Earn Their Way
- ◆ Developing the Overall Sale Strategy for the Unit
- ◆ Establishing Relationships with Community Businesses
- ◆ Helping Parents Support Their Scout
- ◆ Guiding the Unit's Progress to Their Sales Goal
- ◆ Gathering and Distributing Important Information
- ◆ Running Logistics for Product and Sales Earnings
- ◆ Rewarding Scout Efforts with Great Prizes
- ◆ And Hosting an EPIC Unit Kick-Off Celebration

Your #PopcornSquad includes (based on your Unit and District Size):

- District Popcorn Kernel—Your right-hand in all things popcorn
- Unit Committee Members—Helping you develop the plans and budgets
- Assistant Popcorn Kernel—Your left-hand in all things popcorn
- Kickoff Kernel—Your party planning partner
- Show-And-Deliver Kernel—Your logistics coordinator (preferably with a truck!)
- Pickup Kernel—Your warehouse watchdog for product inventory
- Prize Kernel—Your fun-lovin' prize patrol buddy
- Communications Kernel—Your social media/email master spreading popcorn love

As exciting as these position titles are, people tend to be more receptive when asked to execute a specific task, not just serve a role in the popcorn sale. When asking for help, be sure to say what you specifically NEED help with and how much time you think it will take them.

For example, instead of: "Hey Sarah, will you volunteer as Kickoff Kernel this year?" Ask: "Hey Sarah, your creativity and crafting skills are top notch. Would you help me with decorations and games for the Popcorn Kickoff? I'm thinking it will take us about 5 hours in planning and decorating day of, plus whatever time you'd estimate for creating them."

KICKOFF PLANNER

A great sale starts with a great kickoff!

Follow these simple steps to start your popcorn sale with a **BANG** and motivate Scouts, parents and other volunteers.

1. **Plan ahead.** Think of an agenda that will be fast-paced and fun! Make sure to include the product samples provided for your Unit Kick-off. A good kickoff should be under an hour.
2. Emphasize **WHY** it is important to sell popcorn. Communicate the exciting Scouting program and how families can cover all their annual expenses with one sale. Campmasters makes it easy to sell gourmet popcorn so Scouts can spend more time having fun and less time selling popcorn.
3. Show your scouts the Take-Order forms and Prize forms, to highlight not only what they are selling, but the rewards they can be working towards!
4. Demonstrate to scouts how they can use their tablet or smartphone to take Take-Orders electronically.
5. Spend some time explaining the different **ways to sell**, key dates for the program and Show & Deliver locations.
6. Motivate Scouts to **set goals** for their sales and to pick an awesome prize! Show them our awesome list of available prizes to work towards.
7. Finish the evening with a **memorable event**, like throwing pies in the leaders' faces or funny role-playing. A kick off will be exciting when Scouts are involved in the action!
8. Encourage your Scouts to Self-Register to sell online at

<https://ordering.campmasters.org/CampMasters/Registration>

REGISTER SCOUTS TO START SELLING

You can directly access the Campmasters ordering site using the single sign-on link emailed to you, or by going to www.campmasters.org and clicking at "Council/Units/Scouts Log In Here". Google Chrome or Firefox recommended.

Unit kernels will be set up in the system by the Council. For scouts, once at the login screen, click the link for "scout's register". Completely fill out the form on the page it will show you, set a password, and be sure to enter the code at the bottom!

Next it will help you find your unit. If you are in a Pack, the first digit of your unit number will be 3, in the form "3xxx" (i.e. Pack 103 is 3103, Pack 25 is 3025, etc.).

Watch your email for your confirmation link!

The image displays a sequence of four screenshots from the Camp Masters website, illustrating the process of finding a unit for registration. The first screenshot shows the "Popcorn Ordering System" page with a prominent blue button labeled "Scout's Register / Find Your Account Here!". A red arrow points from this button to the second screenshot, which shows a search interface titled "Let's find your unit!" with a search box containing the text "Search for your unit." and a "Register" button. The third screenshot shows the search results for "3016", displaying "Pack 3016 / Madison, WI", "Contact: Melody Glazer", and "Glacier's Edge Council / Mohawk". The fourth screenshot shows the search results selected in the search box, with the text "Pack 3016 / Mohawk / Glacier's Edge Council" and a "Register" button.

UNIT ACTIVITY BUDGETS

How to set your unit's Activity Budget

Add up your Unit's Income from sources other than popcorn, below:

Registration Fee	\$ _____
Dues	\$ _____
Other Income	\$ _____
(C) Total income other than from Popcorn	\$ _____

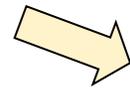

Now subtract your Unit's Income from sources other than popcorn (C) from your total Unit expenses (B) to find the Income Required from Popcorn (D):

	(B) Total Unit Expenses	\$ _____
Minus (C)	Total Income Other than Popcorn	\$ _____
=	(D) Total Income Needed from Popcorn Sales	\$ _____

Income Planner

Next, calculate the amount of popcorn your Unit and each Scout need to sell to meet your budget.

\$ _____	÷ .30 † =	\$ _____
(D) Income Needed	Popcorn Commission	Unit Sale Goal
\$ _____	÷	\$ _____
Unit Sale Goal	# of Scouts	Per Scout Sale Goal
\$ _____	÷	\$ _____
Per Scout Sale Goal	Avg. Container Price	Container Goal per Scout

Example:
 \$1000 needed ÷ .30 =
 \$3,333 gross sales
 needed

† Actual Commission percentage may vary—see page 17 for details!

POPCORN SAFETY TIPS

- Keep checks and cash in a separate envelope with your name on it.
- Always walk on the sidewalk whenever possible.

POPCORN SALES TIPS

Ten ways to make a popcorn sale

1. Ask your parents to be the first to buy popcorn.
2. Ask your relatives to buy popcorn. (Grandparents, Aunts, Uncles, Brothers, Sisters...)
3. Ask your neighbors to buy popcorn.
4. Ask the parents of your friends (not in Scouts) to buy popcorn.
5. Take a popcorn order form to your place of worship and ask people to buy popcorn. (Get permission first.)
6. Ask your parents if they can take a popcorn order form to work and ask their coworkers to buy popcorn. (They may need to get permission first.)
7. Ask your patrol or den to schedule a "Super Sale Day". This is a day when your fellow Scouts select a neighborhood and go door-to-door as a group to ask people to buy popcorn.
8. Ask a parent or a fellow Scout to go door-to-door with you in your neighborhood to ask people to buy popcorn.

COVID-19 GUIDELINES

As always, we are dedicated to the safety of our leaders, scouts, families & customers. While for the most part state and local authorities are not presently instituting the previous measures for control of COVID-19, it's always important that everyone operate in a manner that safeguards and respects the health of both themselves and their customers.

When it comes to the products, our suppliers have implemented numerous safety protocols at their production, warehouse, and fulfillment centers. These measures include many of the guidelines recommended below, and are updated as they continue to evaluate the current environment in their local area.

Show & Sells are an exciting time for your Scouts, with all the energy and enthusiasm of representing their Pack within the community. Please bear in mind the following guidelines to keep everyone safe and healthy during this year's sales.

- Reiterate before the event that anyone exposed to COVID-19 (in any of its variants) should find an alternate person to take their place at the sale, or contact the unit's Popcorn Kernel.
- Take everyone's temperature before and/or at arrival to the site.
- Follow the locale's guidelines regarding masks and gloves. When in doubt, err on the side of caution.
- No more than 3 kids and 2 adults should be at any single selling location.
- Always wash your hands for a minimum of 20 seconds.
- Use hand sanitizer regularly, especially after customer transactions.
- Clean surfaces frequently with a disinfectant wipe or hand sanitizer.
- Assign one individual to handle all money transactions, and one to handle all popcorn.
- Use signs to help inform customers you're fundraising and provide directions for safe interactions between Scouts and customers.
- Do not shake hands with customers and follow any social distancing guidelines in place, between them and with other booth participants.
- Do not have open food or drinks in the area. Do not share drinks, cups, or utensils.
- If you have to sneeze or cough, do it away from the booth and other people. Remember to sneeze or cough into your elbow.
- When possible, avoid engaging with anyone exhibiting symptoms.

ANSWERING OBJECTIONS

AT POINT OF SALE

<p>“I cannot eat popcorn...”</p>	<p>That’s OK. You can still support us and the Military by buying popcorn to send to troops overseas. Popcorn also makes a great gift for someone else. We also have White Chocolatey Pretzels you may like. Which one works best for you?</p>
<p>“Popcorn is not healthy...”</p>	<p>Many snack foods can have lots of fat, but many of our products have less than half the calories of potato or corn chips. Plus, popcorn is high in fiber. Which one would you like?</p>
<p>“The price is too high...”</p>	<p>The price is about the same as buying popcorn at the movies. However, 70% of the cost is going to help our Scouting program, so you can feel good about buying the product and helping. Think of it this way, you’re donating to Scouting and the popcorn is our thank you gift. And if you buy our military popcorn, our armed forces around the world benefit, too. Which one would you like?</p>
<p>“We already bought popcorn...”</p>	<p>Great, and Thank You! After trying the product, many of my customers find they would like to send some to family, friends, or to military troops overseas. Do you have someone in mind that would like some DELICIOUS popcorn?</p>
<p>“I do not have any money on me...”</p>	<p>That is OK. We take all major debit/credit cards. Which one would you like?</p>
<p>“I am allergic to nuts...”</p>	<p>I am sorry to hear that. I have a relative/friend that has a similar issue, so they help me out by placing an order for our Military troops overseas and in VA hospitals. But our Troop is still funded. At what level would you like to place an order for our troops?</p>
<p>“I do not support the Boy Scouts...”</p>	<p>Thank you very much for listening to me. Have a good day.</p>

SELLING METHODS

Scouts can sell well and safely by following these proven methods and tips.

2. Try Show and Deliver! Visit neighborhoods with product on hand for immediate sale!
3. Sell online! It’s easier than ever and you can help Scouts sign in and self-register that allows them to sell online. Also encourage Scouts to send emails out to all of their Family and Friends .
Online Sales Can Begin on August 4th, 2022 with Registered Accounts!

PLACING YOUR UNIT'S ORDER

For both Show-and-Deliver and the main Take Order, there are two ways to get your unit's order to us...

1. **Online Ordering.** The best way to get your order in on time is to enter it online at ordering.campmasters.org. If you registered with us at the start of the sale, your unit should be active for this year's sale! If you have never used the online ordering before, or are having difficulties with the site, please contact Tim Neeck at the Scout Office (tim.neeck@scouting.org or by phone at 334-262-2697) and we can have your login and initial password ready to go! *This is the preferred way to place your order.*
2. **Paper Order.** If you cannot place your order through the web site, you have the option of sending in a traditional order form. Either drop it off at the office or send it by email as given above. If sending by email, please make sure what you are sending is clearly legible! In either case, make sure to specify the unit the order is for so that it can be properly credited. *We also require that the entire unit's order be placed at once, on one form, by one person, in order to prevent confusion and possible errors.*

Sooner is always better than later! Waiting for the last minute to turn in your order makes it difficult to resolve any problems that may arise in time. Again, please make sure that all orders are done through your unit popcorn person, and not with individual scouts or families turning in separate forms that may be missed or double-counted unintentionally.

No Handwritten or Other No-Form Orders. We absolutely require all orders not using the online system to use the actual ordering form in order to ensure no errors creep in through unclear or incomplete information! If you do not have copies of the order forms, contact the Scout Office and one can be provided, either by email or in person at the desk.

Late Additions or Changes. While orders should always be on one sheet handled by one set of hands, we do also understand that things do happen...and that orders may need to be amended after submission. If you submit online, you can edit your order at any point up to the due date. If not, contact us and submit a clearly marked replacement form noting the changes that need to be made. Again, if you need a blank form, we can provide them by email or at the desk. The sooner any changes come to us, the better; changes more than a day or so after the ordering deadline cannot be guaranteed.

Take Order Forms should only be turned in to support a prize order or "High Achiever" submission and **MUST** be marked with the Scout's **full registered name and unit**. *We will not take a stack of Take-Order Forms as a unit order submission;* the order form will always be required for other than online orders. We also strongly suggest submitting scans or copies rather than originals, and keeping the originals for your records.

Popcorn Commission Plan for Units

Once again, units have the option to earn an *additional 2% commission* on Popcorn Show & Sell and Popcorn Take Orders *if they choose to not participate in the prize program*. Scouts will still be able to earn “Council Prizes”.

2022 Commission Plan

Popcorn Show and Deliver Orders	30%
Popcorn Take Orders	30%
Nuts for Scouting Take Orders	30%
Popcorn Online Sales	40%

*Example: A unit chooses to opt out of the prize program. They will earn a total of (30% + 2%) **32% commission on Popcorn Show and Deliver and Take Orders!***

PAYMENT PROCEDURES

When receiving and paying for your order, please keep the following in mind:

Liability:

- Upon signing for receipt of the popcorn from the Tukabatchee Area Council, you are taking full responsibility for the distribution and payment of all popcorn received.

Payment for Popcorn:

- Show & Deliver Popcorn order must be paid to the Council Service Center by **Friday, October 14th.**
- Take Order Popcorn must be paid in full to the Council Service Center by **Friday, December 2nd, 2022.**
- In each case, units WILL deduct their commission from their sales income and send the difference to the Council Service Center..
- **Each unit must pay with one check only.**

Over-Ordering Popcorn:

- Ensure that you do not order more popcorn than you can sell, or can complete orders for. The council **WILL NOT TAKE BACK ANY EXTRA OR UNSOLD POPCORN!**
- Didn't sell all your Show & Deliver stock? Deduct remaining inventory from your main sale order!

SHOW & SELL PRODUCT PRE-ORDER

ORDER DUE FRIDAY, AUGUST 12th

The Tukabatchee Area Council Popcorn Sale proceeds allow the Council to continue to provide vital leader/youth program services and facility support at **Camp Tukabatchee and Camp Dexter Hobbs** that, without popcorn, would otherwise either result in additional costs being directly passed on to Units and parents, or we would simply have to do without.

Several Units had very positive results from **Show and Sell**, so we are once again offering an expanded **Show and Sell** this year, to **supplement** the Take-Order Sale so Units may sell at local storefronts. The Show and Sell can add an additional 30-40% to sales, if marketed correctly. Please note, Take-Order is by far your *primary* avenue to popcorn success. Enclosed is the **Order Request Form** with information, guidelines, and deadlines regarding ordering product for the Show and Sell. **Show and Sell orders are due no later than Friday, August 12th.**

CAMP MASTERS SCHOLARSHIP SUBSTITUTION PROGRAM

Camp Masters offers an alternative program to the previous scholarship program. CM have established a Gift Cheque Program to award high sales achievement at the \$3000 level. There is extra value in this type of program as the Scout gets the reward immediately and it can be used for anything (deposited into any savings program for college, exchanged for cash at a bank, or to make purchases at most retailers.) With a scholarship-type program, if the Scout chooses not to further their education after high school then they forfeit the entire scholarship fund.

Scouts that were participants in the 6% scholarship fund through past sales achievement in previous years can continue to receive benefit through CAMP MASTERS **or** receive the CAMP MASTERS prize at the corresponding level. **They can not receive both.**

Unlike previous years, Camp Masters is working on an online system to submit for this program. *Unfortunately, no link to this page is available at this time, as it has not yet been completed;* a link to that page, as well as a guide for using it, will be circulated through the Popcorn Kernels once it becomes available.
