REQUESTING REFUNDS FOR...

Last Name	First Name	Amount Paid	Date Paid	Receipt No.:	Amount requested and reason

Planning for camp is a tedious and costly process. Decisions are made and funds are allocated for camp based on early registrations and fee payments. While it is not the intent to penalize campers with a strict and enforced refund policy it is necessary and in the interest of all campers to do so. Please advise your parents of these policies. Refunds are not approved for "John Doe" registration.

I am making a refund request for fees paid. I understand the refund policy as refund policy as stated below.
